

DECLARATION OF CONFORMITY

Manufacturer: Spede-idea Oy
Heinjoentie 105
15540 Villähde
Finland

Product: **RAIMO protective face-shield**
(Visor 103 (size M-L) or visor 110 (size XS-S) combined with cap 10001)

Personal protection cap and visor combination protecting the user from airborne mixtures, splashes, liquid droplets, airborne particles and flying debris.

This declaration of conformity has been issued under the sole responsibility of the manufacturer.

RAIMO visor has unique, patented design and is identifiable by product packaging markings on product frame. Visor and cap may be replaced using original replacement components.

The object of this declaration is in conformity with the relevant Union harmonisation legislation related to PPE, including regulation (EU) 2016/425.

Harmonized standards applied: EN 166:2001

Other applied standards: EN 168:2001 (testing)
EN 167:2001 (testing)
EN ISO 13688:2013 (material safety evaluation)

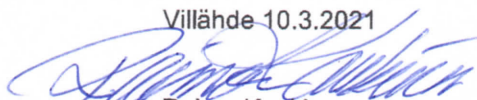

Conformity assessment procedures:
PPE category II EU type-examination (module B) set out in (EU) 425/2016 Annex V followed by conformity to type based on internal quality control (module C) set out in Annex VI.

Product type-examination approved by SATRA Technology Europe Ltd (NOBO 2777), technical reports/approval documents: SPC305770/2049, SPC0305770/2049/LH, customer number P21045.

PPE is subject to manufacturer continuous internal quality control and manufacturing quality surveillance.

Signed on behalf of Spede-Idea Oy:

Villähde 10.3.2021

Raimo Kaukinen
Managing Director
